Vacation Bible Fun – **STUDENT AIDE APPLICATION** – (5th-12th grade)

PLEASE NOTE:

Due to the large number of students who wish to aide, we must use the following student aide selection process:

- **Anyone who wants to be considered for a student aide position must turn in a completed application by May 14th!**
- Teacher and Coordinator requests for aides will be honored first.
- Additional aide positions will be filled by a lottery drawn from remaining applications.
- **FILLING OUT AN APPLICATION DOES NOT GUARANTEE YOU WILL BE AN AIDE!!!!**
- You will be notified on or around June 1st whether or not you have been chosen to be an aide.

*WHY? Each teacher has indicated the number of aides she wishes to have in her room. In the past we have tried to place all those who wish to aide; however, supervising too many aides in a classroom or area has become overwhelming and takes away from the attention a teacher/coordinator is able to give to her students. Honoring requests to be placed in a particular classroom or with a particular person will not be possible with the lottery system. **Thank you for your understanding as we try to find a way to maximize participation in our program, yet allow the focus to remain on the Kindergarten through 4th graders for whom Vacation Bible Fun was designed.***

YES! I would like to be considered for an aide position. I understand that I will only need to report to Vacation Bible Fun as an aide if my application is drawn and I am notified on or around June 1st that I have been selected. **REQUESTS TO BE PLACED IN A CERTAIN CLASSROOM OR WITH A CERTAIN STUDENT OR AIDE MUST COME FROM THE CLASSROOM TEACHER!**
