

March 19, 2010

Dear Parents,

At the beginning of Lent, the Children's Faith Formation Committee sent home a Family Lenten Calendar. Your family was to draw a cross in the calendar boxes for the days when you did an act of prayer, fasting or almsgiving. In the calendar box for March 24, it says to bring this calendar back to offer at the all-school Stations of the Cross.

Before the Stations of the Cross next Wednesday, March 24, we will ask the youngest/only person in each family to bring forward the Family Calendar as an offering to Jesus. After the offering of calendars, the students will watch the Living Stations of Cross performed by 8<sup>th</sup> graders from the P.R.E. program.

The Kindergarteners will not be attending the Living Stations due to the sensitivity of the subject. The next oldest child in your family is welcome to offer the calendar at the Living Stations. If your Kindergartener is your only child in the school, he/she can return the calendar to his/her classroom teacher.

Thank you. May God bless you and your family in these remaining days of Lent.

Sincerely,

Miss Jo Kusek
