

Learning Never Should!

March 31, 2010

Dear Parent,

Once again we would like to offer the Summer Bridge Activities books to students in Pre-Kindergarten thru Grade 7 to help keep their minds fresh and bridge the educational gap during the summer.

The Summer Bridge Activities workbook includes a concentrated review of the grade your child is leaving and a preview of the next grade to prepare your child for the upcoming year. Each book contains a parent introduction that offers helpful hints on using the program as well as information on the importance of maintaining skills during the summer. The curriculum-based activities include Phonics (in the lower grades), Reading comprehension and writing, Math, Science, Social Studies, Maps & Globes (in the upper grades), and suggested summertime reading.

These books can also be purchased at Playtime/Schoolltime for \$14.95 each plus tax. However, if you order the workbook thru St. James/Seton School, the cost to you is \$12.00 each. If you would like to preview the book before making a decision, copies can be found in the school office. If you decide to place an order, please make checks payable to St. James/Seton School. The deadline for ordering is Wednesday, April 14th. Books will be distributed to the students before the last day of school.

Thank you for your support of this program. We are confident that your child will benefit from this opportunity to maintain the skills and concepts learned during the year.

Sincerely,

Mrs. Chris Arnold
Ass't. Principal
