

Serious Illness & Injury Support

Don't forget...Grief's Journey offers support groups for families coping with serious illnesses or injuries!

Do you know a family with cancer, ALS, brain injury, dementia, or any other serious illness or injury?

Encourage them to attend our FREE support group THIS SATURDAY!

Who: Youth ages 3-18 & their adult caregivers

What: FREE grief support group for families dealing with any serious illness/injury

Where: Grief's Journey, 7811 Farnam Drive

When: 2nd Saturday of every month, 12-1:30pm (lunch is provided)

This is an open group that families may join at any time, and we encourage them to attend as many sessions as they would like.

Kids & adults who have attended enjoy being able to share with others who get it:

"It's fun and has great activities."

"Everyone was so helpful and understanding."

"It's helpful knowing others are dealing with tough issues and knowing we are not alone."

"My daughter seems more centered and more sure of herself...She has the chance to be a 'normal' kid with friends who are just like her, kids with an ill parent."

"I am hoping the program expands so there are even more opportunities."

Help your clients get the same support.
