

NE Humane Society Drive

April 20-24

Sponsored by the Sixth Grade Students

Please help our furry friends. Bring in your donations and place in the collection boxes NEXT WEEK!!!!

Wish List

Our most *heartfelt* wish is to get all the animals at the shelter into new and loving homes. But until we can do that there are specific items we can use to provide for them. Please do not feel like you need to purchase new items. Many of the items on the list are things you may already have around the house! We can always use:

- Blankets
- Towels
- Veterinarian approved cat and dog toys
- Large, and extra large Kong Toys
- Unopened jars of peanut butter (for giving medicine)
- Ziploc freezer bags (gallon size)
- Canned cat food/unopened bags of cat food with no red dyes
- Clear Rubbermaid tubs
- Distilled water
- Yarn (for our senior ladies to crochet cat beds)
- Box fans
- Soft dog treats for training
- Feliway spray
- DAP collars and spray
- Air cheese (Easy cheese) for Kongs
- Rubber backed rugs

Last year, nearly 30,000 animals found their way to the Nebraska Humane Society. Some were lost, some were injured, some were simply no longer wanted. All were frightened and confused. **The animals need your help.**

Thank you for caring for homeless animals!
