## Audition Day

Marian Performing Arts Center  
May 3, 2018  
4:00pm

Marian's Show Choir, Momentum, will be holding auditions for the 2018-2019 school year. It is open to all Marian students, 9th-12th. Momentum begins rehearsing in August and competes in the Spring. Students must be enrolled in a study hall. Momentum will meet two school days a week during study hall time and on Monday evenings. Students who are not enrolled in a core choir class for the 2017-2018 school year will be required to attend weekly vocal training sessions outside of regular show choir rehearsals.

For the audition, students will be asked to sing and dance. The music will be handed out at the first audition clinic on Monday, April 30. The choreography will be taught during the audition clinics. It is highly encouraged that students attend all the clinics prior to the audition day. Please contact Ms. Morrissey if you plan on missing one of the clinic times.

- Students may enter through the Performing Arts Center Lobby doors to check-in.

- Please wear clothes that are comfortable for dancing to the audition clinics and the audition day. Bring a pencil, water bottle, and dance shoes or tennis shoes.

- Students will receive a parent permission form at the audition clinics. This form must be signed for students to audition on May 3.

- Auditions will start promptly at 4:00pm on Thursday, May 3. Please contact Ms. Morrissey if you need a specific time frame that evening. Students will audition in groups of three or four.

## **MOMENTUM**

Starting next year, Momentum will be offered as a class during the school day. Here are some questions and answers that may come up as you are registering for classes next year. Show choir auditions are scheduled for April 30-May 3.

### **When will this class meet?**

This class will meet during the Block Day and for one other class period in the week. We will be flexible as to which days we meet to accommodate special schedules, assemblies, freshman study skills seminars, etc.

### **Will there still be outside of school practices?**

Yes, we will still have evening practices, but they will be less frequent. There will be no more than one per week, and evenings will only be scheduled when needed. Evening rehearsals will be scheduled on Mondays, 7-9pm. A full schedule of show choir rehearsals for the year is sent out to Momentum students and parents over the summer.

### **How do I register for this class?**

You do not need to do anything at the time of registration. If you are interested in Momentum, register for a study hall and the counselors will add the class to students' schedules after auditions in May. In the event a student does not make Momentum, that student may replace the study hall with another class at that time, for no extra fee. If a student is already registered for another class at the time of auditions, they may change it to Momentum if they make the Show Choir, for no extra fee.

### **Do you need to be enrolled in Select Women's Choir or Concert Choir to join the Show Choir class?**

No, you do not need to be enrolled in a core choir class. However, those not enrolled in a core choir class will need to meet for weekly voice lessons with Ms. Morrissey outside of rehearsal.

### **Since this class is also a study hall, how will it show up on a class transcript?**

It will show up as a Show Choir class on the transcript.

### **Does this count for a Fine Arts credit?**

No, show choir will be offered as an elective credit. (2 semesters = 1 elective credit)

### **Can freshman enroll in show choir?**

Yes, since this class includes study hall time, freshman will be allowed to enroll. They will need to attend the Summer Academic Jump Start program to get ahead on their study skills.
