

VIRTUAL BACKPACK 9/20/18

A NOTE FROM THE SPECIALS TEACHERS

(ART, GUIDANCE, LIBRARY, MUSIC, PE, SPANISH, TECHNOLOGY)

Hello SJS families,

We are enjoying having your students in our Specials classes so far this year! We wanted to send out this note early so you can reach out to us any time you'd like.

We, as Specials Teachers, help round-out the education of your child(ren). In addition to their core classes, they get the opportunity to think with other parts of their brains, to move their bodies, and to have experiential learning.

We appreciate your support at home in reminding your students that Specials classes, although they can be fun and different from core classes, still require their good behaviors and best effort. Students are expected to participate fully and share their gifts with our community.

In order to earn good grades in Specials classes, we are not looking for the best musician, the best artist, the best athlete, the best keyboarder, and so on. What we are looking for are students who come to class ready to learn, with positive attitudes and a "can do" spirit.

Thank you for choosing Catholic education for your child(ren). Please reach out to us at any time during the year if you have any questions about our classes. We are looking forward to a great rest of 2018-19!
